Our Vision

Agape, Greek agapē, refers to unconditional love, "the highest form of love, charity".

Our vision involves feeding both body and spirit. Nurturing souls through worship, the Word of God, and feeding the body. We seek to show the love of Christ to all who come to be served, and to be a shining light in a lost and darkening world.

Who are we?

“But be doers of the word, and not hearers only, deceiving yourselves.”

The House of Agape seeks to be doers of the word, not just hearers only and to serve those who are in need in the community of Rock Hill, South Carolina

Praying for and seeking:

- People willing to serve
- Churches willing to serve/support mission
- Resources for access and/or referrals to community agencies for shelter, financial assistance and employment

What are our goals?

Our goal is to feed the hungry through community involvement and to provide a message and music.

- Collaborate with local community organizations and churches to provide message, meals and music
- Partner with local business to serve those in need in our community
- Our goal is to expand to providing music, messages and a meals 7 nights a week. To do this, we will need your prayers and donations.
- We would also like to partner with area churches and organizations for support.
